

Example cultural offer

This is an example of a whole school cultural offer. It offers a combination of:

-  **school-based activities**
-  **community-based activities**
-  **expert-led activities**

Costs are kept low as most activities are school or community based or offered as part of an organisation's outreach work. Occasionally, experts are invited to talk about specialist topics. Every school's plan is different, but this will give you some ideas for discussing options in your school.
